Creswell School District 40

Code: **JHFE/KN-AR(2)**
Revised/Reviewed: 12/08/10

Child Abuse Investigations Conducted on School Premises

Any investigation of child abuse will be directed by the Oregon Department of Human Services or law enforcement officials as required by law. When an administrator is notified that the Department of Human Services or law enforcement would like to interview a student at school, the administrator must request that the investigating official provide the information below. Failure to meet one of the five criteria may result in the administrator's refusal to allow the student interview on district property.

I, _____ (Name) of _____ (Agency) declare that I have the authority to conduct this student interview based on the following:

1. ☐ Warrant (attach copy)

2. Court order (attach copy)

3. Exigent circumstances (briefly describe): _____
_____
_____

4. Parental consent

   Parent or guardian's name: _____

   Date consent granted: _____

5. This interview is not considered a "seizure" pursuant to *Greene v. Camreta* (9th Cir. Dec. 10, 2009).

_____ _____
Signature of interviewer Date

_____ _____
Name of student to be interviewed Date of interview

Student not available for interview

_____
Name of school official (administrator/ designee) receiving this form

Student refused to be interviewed

This form should be placed in a separate file and not in student's educational record file.
