Admissions to District Events

The athletic director or designee may waive event entrance fees for the following:

1. Volunteers (doctors, fire department, police department)
2. Unpaid officials who perform frequently at athletic events (scorekeepers, public address personnel, photographers).
3. District employees whose attendance would be considered an extension of their regular employment for purposes of student support, esprit de corps, or being informed about district operations (e.g. teachers in schools of students involved in the activity and district-level administrators). Entrance fees for family members or guests of district employees can not be waived.

Board members may be reimbursed, when paid admission is required of the general public, for attending district sporting events and other activities as part of their responsibilities of being informed about district operations.
