Student Teachers

The superintendent may formulate student teaching and intern teaching programs whereby students attending institutions of higher education in Oregon may be granted the privilege of engaging in supervised teaching.

Student teachers and interns will be permitted to instruct classes for a portion or an entire school day, but should not be used as substitutes. Supervising classroom teachers will retain responsibility for students and their educational program.

All arrangements for the placement of student teachers in the district will be made through direct contact between the district's human resources department and the teacher's training program.
