Instructional Goals

The district's vision and goals are intended to guide the development of the district's instructional program to prepare students for the 21st century.

Five elements are essential for an effective and efficient instructional program:

1. District mission that supports all students meeting high expectations;
2. District goals that provide clarity of focus;
3. A Consolidated District Improvement Plan that begins with the end in mind;
4. Expanded learning opportunities that meet the needs of a diversified student population; and
5. Expanded character education opportunities that meet the needs of a diversified student population.

Instructional goals are based on the following:

1. All students can achieve high academic standards;
2. Curriculum is aligned to high standards and articulated K-12;
3. Successful instruction is linked to use of effective practices and materials;
4. Effective instruction is linked to student assessment.
