## Post-Graduate Scholar Program

The district will provide a Post-Graduate Scholar program for students in the district. A "post-graduate scholar" means a student who has: been in grades 9 through 12 for more than a total of four school years; and satisfied the requirements for a high school diploma as provided by law. The Post-Graduate Scholar program may allow post-graduate scholars to: enroll in courses at a community college that are part of an approved course of study in the post-graduate scholar program in the district, in order to gain a certificate or diploma; enroll in the approved program courses of study for one school year after the post-graduate scholar has satisfied the requirements for a high school diploma in the district; and have the district pay the costs for such approved course of study, including tuition, fees and books.

### Program Qualifications

A post-graduate scholar qualifies to participate in the program if the post-graduate scholar:

1. Has completed and submitted the Free Application for Federal Student Aid, if eligible to file the application;

The district establishes the following additional requirements:

1. A minimum 1.5 GPA. Below the minimum requires an appeal and an interview. Students in the program must maintain a Linn Benton Community College (LBCC) GPA of 2.00.;
2. Students may not have more than four LBCC course absences. Student may appeal with documentation.
3. Regular in-person meetings with district staff to monitor progress held at least twice each month.

## **Program Goals**

The goals of the program include:

The district will monitor program information at the end of each grading term and measure results at the end of each year. These results will be presented to the Board.

The district approves the following courses of study for the program. The following programs must be a part of a student's co-created educational plan:

2. A career or technical degree program that leads to an Associate of Applied Science degree;
3. An Associate of Science or Associate of Arts Oregon transfer degree that enables a student to transfer to a university to pursue a bachelor's degree.

The post-graduate scholar will not be required to accept or use any federal grant moneys to offset costs of tuition, fees or books incurred by the post-graduate scholar at the community college.
