**School-Based Businesses**

The Board recognizes the educational value and learning opportunities provided by school-based student-operated businesses. Therefore, the Board supports the creation of such venture which will provide additional learning environments and opportunities for students to work towards the goals of the Oregon Educational Act for the 21st Century. These goals include student demonstrations of outcomes for Certificates of Initial and Advanced Mastery.

As entities of the district, all such proposed ventures must comply fully with all applicable Board policies and local and state statutes and must follow guidelines and procedures stated in the administrative rules in the district. These rules will include an application process, source of capital resources, accounting methods, reporting procedures and other guidelines as developed by the district administration and site councils.
