

Greater Albany SD 8J Board Policy

Code: **IK**
Adopted: 3/12/01
Revised: 8/13/07

Academic Achievement

The Board feels it is important that teachers have as much accurate knowledge of student achievement as possible to assess students' needs and growth; thus, a sharing of information among parent or guardian¹, teacher and student is essential.

The Board directs staff to follow these guidelines in measuring and reporting student progress:

1. Parents or guardians will be informed regularly, at least four times a year, of their student's progress in school;
2. Parents or guardians will be alerted and conferred with when a student's performance or attitude becomes unsatisfactory or shows marked or sudden deterioration;
3. Grades and/or collections of evidence will be based upon academic performance and will not include student attitude. Grades will not be used for disciplinary purposes. Attendance shall not be the sole criterion for the reduction of a student's grade;
4. At comparable levels, the school system will strive for consistency in grading and reporting except when this consistency is inappropriate for certain classes or certain students;
5. When no grades are given but the student is evaluated in terms of progress, the school staff also will provide a realistic appraisal of the student's standing;
6. The staff will take particular care to explain to parents or guardians the meaning of marks and symbols used to reflect student performance.
