**Board Policy**

Code: **JFCM**  
Adopted: 3/12/01  
Readopted: 8/13/07, 4/27/09

### **Threats of Violence**

The Board is committed to promoting healthy relationships and a safe learning environment. To this end, student threats of harm to self or others, threatening behavior or acts of violence, including threats to severely damage school property shall not be tolerated on district property or at activities under the jurisdiction of the district.

Students shall be instructed of their responsibility to inform a teacher, counselor or administrator regarding any information or knowledge relevant to conduct prohibited by this policy. Parents or guardian<sup>1</sup> and others will be encouraged to report such information to the district. Staff shall immediately notify an administrator of any threat, threatening behavior or act of violence he/she has knowledge of, has witnessed or received. All reports will be promptly investigated.

Students found in violation of this policy shall be subject to discipline up to and including expulsion. A referral to law enforcement shall be made for any infraction involving a student bringing, possessing, concealing or using a weapon or destructive device as prohibited by state and federal law and Board policy.

The building principal shall, in accordance with the law and in determining appropriate disciplinary action, consider:

1. Immediately removing from the classroom setting any student who has threatened to injure another person or to severely damage school property;
2. Placing the student in a setting where the behavior will receive immediate attention from a building administrator, counselor, licensed mental health professional or others;
3. Requiring the student to be evaluated by a licensed mental health professional before allowing the student to return to the classroom setting.

The building principal shall, in accordance with the law, ensure notification is provided to:

1. The parent or guardian<sup>1</sup> of any student in violation of this policy and the disciplinary action imposed;

---

<sup>1</sup>As used in this policy, the term parent includes legal guardian or person in a parental relationship. The status and duties of a legal guardian are defined in ORS 125.005 (4) and 125.300 - 125.325. The determination of whether an individual is acting in a parental relationship, for purposes of determining residency, depends on the evaluation of the factors listed in ORS 419B.373. The determination for other purposes depends on evaluation of those factors and a power of attorney executed pursuant to ORS 109.056. For special education students, parent also includes a surrogate parent, an adult student to whom rights have transferred and foster parent as defined in OAR 581-015-0005 (18).

2. The parent or guardian<sup>1</sup> of a student when the student's name appears on a targeted list that threatens violence or harm to the students on the list or when threats of violence or harm to the student are made by another student;
3. Any school employee whose name appears on a targeted list threatening violence or harm to the district employee and when threats of violence or harm are made by a student or others.

Notification to the above shall be attempted by telephone or in person within 12 hours of discovery of a targeted list or learning of a threat. Regardless, a written follow-up notification shall be sent within 24 hours of discovery of a targeted list or learning of a threat.

The principal will provide necessary information regarding threats of violence to law enforcement, child protective services and health-care professionals in connection with a health and safety emergency if knowledge of the information is necessary to protect the health and safety of the student or other individuals. Additionally, he/she may provide such information to other school officials, including teachers, within the district or other districts who have a legitimate educational interest in the student(s) consistent with state and federal education records laws and district policies

The district may enter into contracts with licensed mental health professionals to perform student evaluations. Funds for evaluations or other disciplinary options as may be required by law and this policy shall be provided by the district.

The superintendent will plan staff development activities designated to alert staff to early warning signs of possible violent behavior. Students so identified shall be referred to a counselor, licensed mental health professional and/or multidisciplinary team for evaluation and follow-up as appropriate.

END OF POLICY
