Saturday School

The purpose of Saturday school is to be an alternative to suspension. Saturday school assures that the school and student's parents or guardians¹ have communicated regarding serious infractions of school rules and the consequences for those infractions.

Students are required to bring school work or suitable reading material since they will be studying in a structured environment throughout the four-hour session. Saturday school and its rules are designed to help students become responsible members of their school.

¹As used in this document, the term parent includes legal guardian or person in a parental relationship. The status and duties of a legal guardian are defined in ORS 125.005 (4) and 125.300-125.325. The determination of whether an individual is acting in a parental relationship, for purposes of determining residency, depends on the evaluation of the factors listed in ORS 419B.373. The determination for other purposes depends on evaluation of those factors and a power of attorney executed pursuant to ORS 109.056. For special education students, parent also includes a surrogate parent, an adult student to whom rights have transferred and foster parent as defined in OAR 581-015-0005(18).
