## Staff Complaints

The superintendent or designee will develop a complaint procedure which will be available for all employees who contend they have been subject to a violation, misinterpretation or inappropriate application of district personnel policies and/or administrative regulations. The complaint procedure will provide an orderly process for the consideration and resolution of problems in the application or interpretation of district personnel policies.

The complaint procedure will not be used to resolve disputes and disagreements related to the provisions of any collective bargaining agreement, nor will it be used in any instance where a collective bargaining agreement provides a dispute resolution procedure. Disputes concerning an employee's dismissal or non-renewal will not be grieved under this procedure.

All reasonable efforts will be made to resolve complaints informally.

Procedural timelines and steps will be developed to implement this policy.
