Evaluation of Administrators

Each administrator will be evaluated every other year by his/her immediate supervisor. Probationary administrators will be evaluated each year during the probationary period. Each administrator will submit two student learning goals on an annual basis.

The purpose of administrator evaluations is to assist administrators with developing and strengthening their professional abilities, to improve the instructional program and the management of the school system and for supervisors to make recommendations regarding their employment and/or salary status.

An administrator's evaluation shall be customized, based on collaborative efforts and include the educational leadership-administrator standards¹ adopted by the State Board of Education.

The adopted standards include:

1. Visionary leadership;
2. Instructional improvement;
3. Effective management;
4. Inclusive practice;
5. Ethical leadership; and
6. Socio-political context.

An evaluation must attempt to:

1. Strengthen the knowledge, skills, disposition and administrative practices of the administrator;
2. Refine the support, assistance and professional growth opportunities offered to the administrator, based on the individual needs of the administrator, the school and the district;
3. Allow the administrator to establish a set of administrative practices and student learning objectives that are based on the individual circumstances of the administrator;

¹These standards are aligned with the Interstate School Leaders Licensure Consortium (ISLLC) and the Educational Leadership Constituents Council (ELCC) standards for Education Leadership.

4. Establish a formative growth process for each administrator that supports professional learning and collaboration with other administrators; and
5. Use evaluation methods and professional development, support and other activities that are based on curricular standards and are targeted to the needs of the administrator.

The administrative evaluation system will also include provisions for initiating dismissal, contract nonextension or demotion procedures if the need for such is indicated.
