

Ashland School District 5

Code: **DD**
Adopted: 2/10/03
Orig. Code(s): DD

Funding Proposals and Applications

The district will pursue federal, state or private grants and other legal and worthwhile financial resources that will assist the district in meeting adopted goals and objectives of the curriculum, creating facilities or purchasing equipment.

District personnel are encouraged to apply for federal, state or private grant programs when the programs meet an educational need of students and have the approval of the superintendent.

Once a grant has been awarded, the grant, as well as a proposed budget, will be presented to the Board for approval. The Board will, before an acceptance of a grant-in-aid, consider the district's obligations, expectations or encumbrances when the grant ceases.
