Staff/Student/Parent Relations**

The Board encourages parents to be involved in their student's educational activities and, unless otherwise ordered by the courts, an order of sole custody on the part of one parent will not deprive the other parent of the following authority as it relates to:

1. Receiving and inspecting education records and consulting with school staff concerning the student's welfare and education, to the same extent as provided the parent having sole custody;
2. Authorizing emergency medical, dental, psychological, psychiatric or other health care for the student if the custodial parent is, for practical reasons, unavailable.

It is the responsibility of the custodial parent to provide any court order that curtails the rights of the noncustodial parent at the time of enrollment or any other time a court order is issued.

Noncustodial parents will not be granted visitation or telephone access to the student during the school day, nor will a student be released to the noncustodial parent, unless allowed by a court order.

The district will use reasonable methods to identify and authenticate the identity of both parents..
