

Ashland School District 5

Code: **JC**
Adopted: 8/11/03
Readopted: 6/12/17
Orig. Code(s): JC

School Attendance Areas

Attendance areas will be established by the superintendent and may be changed as population conditions warrant or capacities of buildings require adjustment of student loads.

Students will attend the school in the attendance areas in which they reside unless assigned to some other school by the superintendent. In those instances where a variance is requested, the parent will make a written application to the principals of the schools involved stating the reasons for the request. The superintendent will be consulted.

Students changing residence during the year may complete the school year at the school which they have been attending. Transportation may be furnished by the district, if practicable; otherwise, the parent must provide transportation.
