

Appeals Procedure for Talented and Gifted Identification and Placement**

The Board has established an appeals process for parents to utilize if they are dissatisfied with the identification process and/or placement of their student in the district program for talented and gifted (TAG) students and wish to request reconsideration. The district's desire and intent is to reach satisfactory solutions during the informal process:

Informal Process

1. The parents will contact the teacher to request reconsideration of placement or to register a complaint about the TAG program.
2. The teacher will confer with the parents and may include any additional appropriate persons (e.g., principal, counselor, teacher, etc.). At this time, information pertinent to the selection or placement will be shared.
3. If an agreement cannot be reached, the parents may initiate the Formal Process.

Formal Process

1. Parents shall submit a written request for reconsideration of the identification/placement or a written complaint of the program to the TAG coordinator.
2. The TAG coordinator shall acknowledge in writing the receipt of the request within five working days and shall forward copies of the request and acknowledgment to the superintendent.
3. The TAG coordinator and other appropriate administrator shall review the student's file and earlier decisions within 10 working days of the original request. Additional data may be gathered to support or change the earlier decision.
4. Parents may be provided an opportunity to present additional evidence.
5. If deemed necessary, a formal hearing will be conducted by the district hearings officer utilizing the appropriate procedures.
6. A decision will be made in consultation with the superintendent within 20 working days after receipt of the written request for reconsideration or complaint. The parents shall be notified of the decision in writing.
7. The decision may be appealed to the Board.
8. If the parents are still dissatisfied, an appeal to the State Superintendent of Public Instruction following the procedures outlined in the Oregon Administrative Rules (OAR) may be used. The district shall provide a copy of the appropriate OAR upon request.
