Native American Students

The Board affirms the opportunity for all children including, but not limited to Native American students, the opportunity to participate in all school programs on an equal basis.

The Board directs the superintendent or designee to establish and maintain specific procedures or guidelines for the Board and administration in order to provide tribal education officials and parents of Native American students the continuous opportunity to actively participate, offer comment, make recommendations and remain informed as to current district education programs.

The district budget committee will annually hear and incorporate such participation, recommendations and comment as part of its district budget planning and development process.
