Use of Feature Films/Videos**

The Board recognizes the showing of commercially produced and rated films and videos may have a legitimate purpose in a school's educational program. Since the content of these feature films customarily is designed for general audience viewing, the Board feels certain precautions should be taken to ensure the showing of a particular film is consistent with the educational values espoused by the district. Only films rated G or PG may be shown as part of the school program. The Board directs administrative procedures be developed to accomplish this objective, including the provision that a parent has the opportunity to preview a film, when possible, and that a parent must give prior consent before his/her student may view a film rated PG or above.
