

**Athena-Weston
School District 29J**

Code: **KJB**
Adopted: 2/13/17

Signs and Banners

The Board is responsible for safeguarding district property and enforcing all board policies related to the use of district property.

The Board may approve the installation of signs on district property following a formal application process. Signs and associated messaging must support or be directly related to district activities. Signs may not interfere with the educational program of the district or individual schools.

Organizations, groups, entities or individuals may request the placement of signs on district grounds. The signs must comply with all state, county, and city statutes, regulations, and ordinances. Such approvals shall be obtained and represented through an application process to the Board.

The requesting parties shall be responsible for all installations and maintenance and shall ensure that the sign is properly and attractively maintained. The Board reserves the right to review or remove signage at any time.

The requesting parties shall take all necessary steps to ensure the safety and welfare of the public. The district does not assume liability for any damages to signs approved for placement on district property.

Signs will not promote discrimination of any type; will not promote the use of alcohol, tobacco, or illegal substances; will not promote any prohibited activities; will not promote political campaigns; and will not promote false information. Signs presenting recognizable health or safety hazards are prohibited.
