Policy Review and Evaluation/Manual Accuracy Check

In an effort to keep its written policies up to date so that they may be used consistently as a basis for Board action and administrative decision, the Board shall review its policies on a continuing basis. The Board shall evaluate how the policies have been executed by the district staff and shall weigh the results. The Board shall rely on the staff, students and the community for providing evidence of the effect of the policies adopted.

The superintendent is given the continuing commission of calling to the Board's attention all policies that are out of date or for other reasons appear to need revision.

The Board directs the superintendent to recall all policy and administrative rules manuals periodically for purposes of administrative updating and Board review.
