

# Baker School District 5J

Code: **CD**  
Adopted: 5/16/00  
Orig. Code(s): CD

## Management Team

The management team of the district is established for the purpose of improving the management function of the district. Specific purposes of the management team include:

1. Strengthening the administration of the educational programs in the district;
2. Bringing to bear the use of effective research on district programs;
3. Pooling technical knowledge for the improvement of district services;
4. Coordinating evaluation of district operations and personnel;
5. Providing refinement and delineation of district policies and procedures;
6. Improving communications, decision making, conflict resolution and other relationships among members of the team.

The superintendent shall develop appropriate administrative rules for the implementation of this policy.

Management team members will include such administrative, confidential, and supervisory employees, as prescribed by law and as designated by the superintendent.

END OF POLICY
