

Baker School District 5J

Code: **EGAAA**
Adopted: 8/15/00
Orig. Code(s): EGAAA

Reproduction of All Copyrighted Materials

Among the facilities available to teachers in carrying out their educational assignments are a variety of machines for reproducing the written and spoken word, either in single or multiple copies.

Infringement on copyrighted material, whether prose, poetry, graphic images, music, audio tape, video or computer-programmed materials, is a serious offense against federal law and contrary to the ethical standards required of staff and students alike.

The Board therefore requires that all reproduction of copyrighted material be conducted strictly in accordance with applicable provisions of law.

If an individual questions the legality of duplicating materials, he/she should seek permission from the copyright holders.

Employees in violation of copyright law may be required to remunerate the district in the event of loss due to litigation and may be subject to discipline up to and including dismissal.

The superintendent will develop administrative rules that provide guidelines for the "fair use" of copyrighted materials that meet the requirements of Section 107 of the Copyright Act of 1976 and applicable amendments.
