

# Baker School District 5J

Code: **IF**  
Adopted: 11/27/01  
Orig. Code(s): IF

## Curriculum Development

The Board recognizes that curriculum development is a continuous process of evaluating and modifying programs. The superintendent will establish procedures which will appropriately involve staff members in developing curriculum which is in line with the stated philosophy and objectives of the district and in compliance with state standards.

When a curriculum area has been assessed and a need for change has been determined, requests for such changes will be made to the administration. Requests shall be in line with administrative rules which have been formulated by the administration and approved by the superintendent. Innovations or curricular modifications which substantially change the content or the approach of a district program will be presented to the Board through the superintendent.
