

Field Trips and Special Events **

Educational field trips are a valuable extension of learning experiences beyond the limits of the school building and shall be used to enhance the school program. Field trips may be authorized as follows:

1. Plans must be approved by the building principal;
2. Transportation should be by school vehicle and transportation requests are to be submitted to the director of transportation;
3. Parents and other designated adults may be permitted to use private vehicles to transport student participants other than their own on field trips or other school activities provided that they comply with all district requirements. It is suggested that adult drivers be accompanied by another adult when transporting students.
