

**Discipline for Use, Possession, Distribution or Sale of Tobacco Products or Inhalant Delivery Systems**

The following guidelines will govern possession, use, distribution and sale of tobacco products or inhalant delivery systems, or violation of the district's prohibition of tobacco product or inhalant delivery system promotional items, including clothing, bags, hats and other personal items by students on district property or at school-sponsored activities.

Violation will result in disciplinary action, up to and including out of school suspension.

1st offense - In-school suspension (1 day), conference with parents, police notification

2nd offense - Out of school suspension (1 day), conference with parents, police notification

3rd offense - Out of school suspension (2 days), parent notification, police notification

At any grade or offense level, as either an alternative to, or as a part of discipline, school or community service and/or attendance and successful completion of cessation and/or education classes or behavior modification plans may be assigned at the discretion of the principal or designee. Attendance at such classes not offered by the district will be voluntary and any associated costs are the sole responsibility of the student and his/her parent. A referral to law enforcement and/or local public health authority may be made.
