## **Suspension\*\***

Suspension temporarily removes from a student the privilege of attending school and/or school activities. The length of the suspension shall be determined by the severity of the act and the previous conduct of the student.

The period of suspension is not to exceed ten school days. In special circumstances, a suspension may be continued until some specific pending action occurs such as physical or mental examination or incarceration by court action or other action. The district may require a student to attend school during non-school hours on school days as an alternative to suspension.

After reviewing available information, suspensions may be made by the principal or assistant principal in accordance with the procedures enumerated in Oregon Administrative Rules.
