## Community Use of District Facilities

The Board supports the community education concept, which encourages the use of district facilities by community members for recreation, education and service activities. The following categories have been determined in order of priority for building and grounds usage:

1. Activities directly related to the required K-12 school program, including graduation (school athletics, clubs, etc.);
2. Activities related to the extracurricular K-12 school program such as sports and seasonal programs;
3. Community school-sponsored programs such as classes and workshops;
4. Youth-related nonschool activities (Little League, 4-H, Scouts, Campfire Girls, etc.);
5. Adult-related nonschool activities (church groups, fraternal organizations, commercial groups, social alumni, adult softball, volleyball, basketball, etc.).

The Board expects the users to treat the facilities with respect. A Facilities Use Agreement form must be submitted by the person or group to the school office in coordination with administrators of the involved facility. The users must agree to all guidelines on the Facilities Use Agreement form. The original copy of the agreement will remain in the school office, with copies distributed to the appropriate building administrator, building custodial staff and facility user.

Approval for using the facilities will be granted for a period not to exceed three months. Requests must be resubmitted if the user desires to continue usage.

The superintendent will encourage the involvement of staff, parents and the community in the development of specific building-use regulations.
