

Recruitment and Appointment of the Director

The Board considers foremost among its responsibilities the selection and appointment of a director who can effectively translate into action the Board's policies and the community's aspirations for its public charter school.

To provide the most capable leadership available for the public charter school, the Board may engage in a search for applicants for the position of director whenever a vacancy in that position occurs.

The Board shall develop and adopt the standards (candidate qualities and work experience), criteria (application, screening and hiring process) and policy directives (promote from within, state and/or national search) to be used in hiring the director at a meeting open to the public and at which the public has had an opportunity to comment.

The Board may seek the advice and counsel of interested individuals or of an advisory committee or it may hire consultants to assist in screening candidates and to encourage the filing of applications by professionals who meet the qualifications. Final selection, however, will rest with the Board after a thorough consideration of qualified applicants.

The Board will appoint the director by a majority vote of the Board members at a meeting for which notice has been given of the intended action.
