

# Black Butte School District 41

Code: **AB**  
Adopted: 12/01  
Readopted: 8/24/10; 1/13/14  
Orig. Code(s): AB

## The People and Their District

The Board believes that:

1. The public school belongs to the people who created it by consent and who support it by taxation;
2. The school is only as strong as the support of the people of the community; and
3. The support of the people must be based upon their knowledge of, their understanding of, and their participation in the aims and efforts of the public schools.

The Board, therefore, reaffirms and declares its design and intent:

1. To keep the citizens of the district regularly and thoroughly informed through all channels of communication on all the policies, programs, problems, and planning of the school system, and to carry out this policy through its own efforts and the efforts of district staff.
2. To invite the advice and counsel of the people of the district at all times, especially at all open meetings of the Board.

END OF POLICY
