

Public Participation in Board Meetings

All Board meetings, with the exception of executive sessions, will be open to the public. The Board invites district citizens to attend Board meetings to become acquainted with the program and operation of the district. Members of the public also are encouraged to share their ideas and opinions with the Board when appropriate.

Audience

During an open session of a Board meeting, members of the public are specifically invited to present concerns during the designated portion of the agenda. At the discretion of the chair, further public participation may be allowed.

Request for an Item on the Agenda

A member of the public may request the Board chair or their designee place an item of concern on the agenda of a regular Board meeting. This request should be made in writing and presented to the Board chair or their designee for consideration at least 10 business days prior to the scheduled meeting.

Procedures for Public Participation in Meetings

The Board will establish procedures for public participation in open meetings. The purpose of these procedures will be to inform the public how to effectively participate in Board meetings for the best interests of the individual, the district and the patrons. The information will be easily accessible and available to all patrons attending a public Board meeting.

Discussion or presentation concerning a published agenda item is limited to its designated place on the agenda, unless otherwise authorized by the chair.

A visitor speaking during the meeting may introduce a topic not on the published agenda. The Board, at its discretion, may require that a proposal, inquiry or request be submitted in writing, and reserves the right to refer the matter to the administration for action or study.

Any person who is invited by the chair to speak to the Board during a meeting should state his/her name and address and, if speaking for an organization, the name and identity of the organization. A spokesperson should be designated to represent a group with a common purpose.

Statements by members of the public should be brief and concise. The chair may use discretion to establish a time limit on discussion or oral presentation by visitors.

Petitions

Petitions may be accepted at any Board meeting. No action will be taken in response to a petition before the next regular meeting. The Board will either consider or decide on any response or they will refer the petition to the appropriate district personnel for consideration and recommendation of appropriate action.

Criticisms of Staff Members

Speakers may offer objective criticism of district operations and programs, but the Board will not hear complaints concerning individual district personnel or approved volunteers. The chair will direct the visitor to the appropriate means for Board consideration and disposition of legitimate complaints involving individuals.
