The Board delegates to the superintendent the function of specifying required actions and designing detailed arrangements under which the district will be operated in accordance with Board policy. These detailed arrangements constitute the rules governing the district.

The superintendent will weigh with care the counsel given by representatives of staff, student and community organizations regarding those regulations. He/She will inform the Board of such counsel in presenting regulations.

The Board reserves the right to review all administrative regulations and procedures, but it will revise them only when, in the Board's judgment, they are inconsistent with policies and regulations set by the Board.
