Orig. Code(s): FK

Facilities Renovation

The Board's priorities for funding renovation of facilities are as follows:

First Priority

Protection of life and health; compliance with mandated requirements governing construction codes and fire safety requirements.

Second Priority

Direct support of the educational program.

Third Priority

Urgently required as approved in compliance with the priorities set forth in the district's comprehensive planning program for facilities and sites.

Fourth Priority

Other priorities as identified by the Board.

The superintendent will establish procedures for requesting, approving and scheduling facilities renovation.

Plans for new and remodeled buildings will be designated and offer accommodations to make them accessible to persons with disabilities. The Board will review construction plans to assure that new and remodeled buildings will be made fully accessible.
