High School Classes/Courses for Pre-High School Students

The district encourages students to perform at the highest level possible in their course work. Recognizing that some upper level elementary school age students are able to master existing high school curriculum, it is the policy of the district to allow students, who are qualified, to take designated high school classes/courses. High school credit may be granted.

The district will allow the granting of such credit to meet the required credits for high school graduation.
