Public Solicitation in District Facilities

Students and staff are to be protected from intrusions by announcements, posters, bulletins and communications of any kind from individuals and organizations not directly connected with the schools.

The administration of surveys, questionnaires and requests for information by nonschool-connected organizations are disallowed as a general rule. Exceptions may be approved by the superintendent. In the event an exception is granted for the administration or distribution of a survey created by a third party, the district will provide an opportunity for the student's parent to inspect such survey upon request, before the survey is administered or distributed by a school to a student, as required by the No Child Left Behind Act of 2001 (NCLBA). Any district survey containing any "covered survey items"¹ as defined by NCLBA, may also be inspected by parents.

Parents may also request that their student be excused from participation in such surveys. Requests may be submitted in accordance with the provisions of Board policy KAB – Parental Rights and accompanying administrative regulation.

As required by law, the superintendent shall ensure that notification is provided to parents of students at least annually at the beginning of the school year or when enrolling students for the first time in school, of the specific or approximate dates during the school year when such surveys are scheduled or expected to be scheduled. The rights provided to parents under this policy transfer to the student when the student turns 18 years old or is an emancipated minor under applicable state law.

The district recognizes its responsibility to protect student privacy. Personal information that may be collected as a result of such surveys will be released only with prior, written parental permission, unless as otherwise provided by NCLBA and/or the provisions of Board policy JOB - Personally Identifiable Information

No commercial advertising is permitted in school buildings or on school grounds except that relating to school functions and having the approval of the superintendent.

The district will not participate in any fund-raising drive that does not have the approval of the superintendent.

¹Covered survey items under the NCLBA include one or more of the following items: political affiliations or beliefs of the student or the student's family; mental and psychological problems of the student or the student's family; sex behavior or attitudes; illegal, anti-social, self-incriminating or demeaning behavior; critical appraisals of other individuals with whom respondents have close family relationships; legally recognized privileged or analogous relationships, such as those of lawyers, physicians and ministers; religious practices, affiliations or beliefs of the student or the student's parent; and income, other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such a program.

Fund raising by nonschool agencies or for nonschool activities during school hours will not be permitted without prior approval of the superintendent.

Demonstrations of services or materials and canvassing of students or any school employee for the purpose of selling products or services shall not be permitted in either the district's schools or school grounds, unless authorized by the superintendent.

No nondistrict-sponsored organization or individual may solicit funds or sell tickets within the district without first securing permission through the superintendent.

Whenever possible, solicitation should occur during nonclassroom time.
