

Blachly School District #90

Code: **KN**
Adopted: 5/20/09

Relations with Law Enforcement Agencies

The Board recognizes that districtwide cooperation with law enforcement agencies is essential for the protection of staff and students, for maintaining a safe environment in district schools and for safeguarding district property.

Law enforcement officials may enter school facilities if a crime has been committed on district property or to investigate matters concerning staff and students upon request initiated by either law enforcement agency officials or by district administrators.

The superintendent will develop procedures to implement this policy, including procedures for handling investigations, administrator requests for assistance and required referrals to law enforcement agencies.
