

Brookings-Harbor School District 17C

Code: **AE**
Adopted: 7/19/06
Readopted: 10/16/13

District Goals

The goal of the district is to accept responsibility for preparing students to be successful citizens in the 21st century. The district strives to develop students to be confident, life-long learners who will contribute in a meaningful way to communities and our society. Students that attend district schools will be prepared for post-secondary education, training opportunities or to enter the work force.

The district shall maintain a coordinated K-12 program designed to improve student achievement, support students' academic growth beyond proficiency in the knowledge and skills of the student's current grade level, encourage their attainment of individual goals and successfully prepare students to function effectively in a rapidly changing world and for the futures they choose to pursue.

The district will review and revise yearly goals and strategies in a work session and Board meeting. Yearly updates are found in the administrative regulation AE-AR – District Goals.
