Code: **AE-AR**
Adopted: 7/19/06
Readopted: 10/16/13

District Goals

Board Goals

1. Using the district's strategic direction statements as their guide, the Board will continue to review and refine progress towards specific academic, operational and financial outcomes over a revolving five year time frame.
2. Continue to develop and enhance partnerships with city, county, state and youth organizations to support and develop academic opportunities, after-school activities and sports activities and facilities.
3. Support faculty, staff and community in their efforts to nurture and establish a positive school climate and atmosphere.

District Goals

1. Increase the number of students meeting or exceeding the state and adequate yearly progress (AYP) standards in all academic areas as measured by the state assessments.
2. Continue to manage budgetary constraints anticipated for the upcoming year with a minimal negative impact on the students and staff.
3. Develop and maintain a sustainable program for staff development to assist teachers in improving student performance.
4. Explore ways to maintain and increase technology hardware and instructional strategies.

Measuring Tools

1. AYP and State Report Card results as well as ongoing state/federal test results during the year.
2. Updates at Board meetings through maintenance and financial reports.
3. Monthly updates from all district buildings and programs.
4. Principal and/or department reports on professional development activities.
5. Semester report on hardware, software, and professional development and implementation.
6. Monitor Summer School and Freshman On Track annually, and progress toward graduation per semester.
