Building Administration

The Board reaffirms the rights and responsibilities of principals and department supervisors for the administration of their programs and buildings within the broad scope of adopted Board policies.

Specifically, the principal or supervisor of each individual school or program is responsible for development of the educational program, evaluation and improvement of instruction and interpretation of that program to the community. Principals and department supervisors are responsible for the operation of their respective buildings including appearance, maintenance of buildings and grounds, discipline, building budget development, security and safety. All personnel will work through and under direction of the principal or department supervisors in the performance of their duties within the school.
