

Complaints Regarding Talented and Gifted Program

Since differences of opinion may arise regarding the appropriateness of programs and services provided for identified talented and gifted students, the following procedure will be utilized when complaints arise:

1. All complaints will be reported to the superintendent;
2. The complainant must fill out and submit the Talented and Gifted Standards Complaint form before further consideration can be given to the complainant;
3. The superintendent shall arrange for a review committee consisting of the principal or other designee, a counselor and a teacher;
4. The review committee shall meet within two working days of receiving the written complaint and review all pertinent information. A recommendation will be submitted to the superintendent within 10 working days of receiving the original complaint;
5. The committee may recommend that:
 - a. The programs or services are appropriate;
 - b. The programs or services are not appropriate.
6. The superintendent shall report immediately the recommendations of the review committee to the Board;
7. The decision of the Board shall be final;
8. If the complainant remains dissatisfied, and has exhausted local procedures, or 45 or more days have elapsed since the original filing of a written complaint alleging violation of standards with the district, an appeal to the State Superintendent of Public Instruction can be filed. The district shall provide a copy of the appropriate Oregon Administrative Rule upon request.
