

Student Fund-Raising Activities

Fund-raising activities for school organizations are allowed under the following conditions:

1. If any fund-raising organization outside the district is to be involved, permission is required from the advisor, the principal and the superintendent by using form BP IGDF-AR(2). The Board will be advised of any such fund raising through the superintendent's office;
2. If no fund-raising organization outside the district is to be involved, permission is required from the advisor and the principal;
3. If the fund-raising activity is for charitable or other causes not directly relating to district activities, permission is required from the advisor, principal and the superintendent by using form BP IGDF-AR(2) . The Board will be advised of such fund raising through the superintendent's office;
4. The activity must be personally supervised by the advisor or a designated staff member. Additional chaperones will be available for supervision if the nature or size of the activity requires it in the judgment of the principal or superintendent;
5. Academic grades in school courses are not to be affected by student participation, or nonparticipation, in fund-raising activities;
6. The fund-raising activity cannot occur after the hour of 10 p.m. on weekdays, or later than 12 p.m. on weekends and holidays;
7. Except for charitable causes, the funds raised must directly benefit an established district program;
8. The time of the fund-raising activity will not be during instructional time, without permission from the advisor, principal and superintendent;
9. If approved, the fund-raising activity is a district function, and Board policy and administrative regulations apply regarding student behavior and discipline;
10. All funds collected are to be managed by the respective school or the district administrative office;
11. Any equipment, materials, supplies, etc., generated from fundraising shall become property of the district.
