

Graduation Requirements

Diploma

A high school diploma will be awarded to students in grades 9 through 12 who complete a minimum of 24 credits which include at least:

1. Three credits of mathematics;
2. Four credits of English;
3. Two credits of science;
4. Three credits of social sciences;
5. One credit in health education;
6. One credit in physical education; and
7. One credit in career and technical education, the arts or second language.

The district may award a diploma to a student who does not satisfy these requirements if the student has exceeded the academic content standards for or displays proficiency in mathematics or English, as demonstrated on Oregon state assessments.¹

Students receiving their diploma on or after July 1, 2012 will need to complete three credits of science, three credits in the arts, career/technical education or second language (in any one or in a combination thereof) and six credits of electives. Students who receive their diploma on or after July 1, 2014 must complete their math credits at the Algebra I level and higher.

To receive a diploma or modified diploma, in addition to credit requirements, as outlined in OAR 581-022-1130 and OAR 581-022-1134, respectively, a student must:

1. Demonstrate proficiency in the essential skills²;

¹These graduation requirements apply to students who receive a high school diploma on or after July 1, 2009.

²This graduation requirement applies to students who receive a high school diploma on or after Sept 1, 2011, as adopted by the State Board of Education. Each student shall demonstrate proficiency in essential skills adopted by the State Board of Education as provided in OAR 581-022-0615. Proficiency is required in reading in 2012, writing in 2013, and apply math in 2014.

2. Develop an education plan and build an education profile;
3. Demonstrate extended application through a collection of evidence;
4. Participate in career-related learning experiences.

Modified Diploma

A modified diploma will be awarded to students who have demonstrated the inability to meet the full set of academic standards established by the State Board of Education for a diploma while receiving reasonable modifications and accommodations. To be eligible for a modified diploma a student must:

1. While in grade nine through completion of high school, complete 24 credits which shall include:
 - a. Three credits in English;
 - b. Two credits in mathematics;
 - c. Two credits in science;
 - d. Two credits in social sciences;
 - e. One credit in health;
 - f. One credit in physical education; and
 - g. One credit in career technology, the arts or a second language.
2. Have a documented history of an inability to maintain grade level achievement due to significant learning and instructional barriers; or
3. Have a documented history of a medical condition that creates a barrier to achievement.

Extended Diploma

An extended diploma will be awarded to students who have demonstrated the inability to meet the full set of academic content standards for a diploma while receiving modifications and accommodations. To be eligible for an extended diploma, a student must:

1. While in grade nine through completion of high school, complete 12 credits, which may not include more than six credits in a self-contained special education classroom and will include:
 - a. Two credits of mathematics;
 - b. Two credits of English;
 - c. Two credits of science;
 - d. Three credits of history, geography, economics or civics;
 - e. One credit of health;
 - f. One credit of physical education;
 - g. One credit of the arts or a second language.
2. Have a documented history of an inability to maintain grade level achievement due to significant learning and instructional barriers; or

3. Have a documented history of a medical condition that creates a barrier to achievements; and
4. Participate in an alternate assessment beginning no later than grade six and lasting for two or more assessment cycles; or
5. Have a serious illness or injury that occurs after grade eight, that changes the student's ability to participate in grade level activities and that results in the student participating in alternate assessments.

Alternative Certificates

Alternative certificates will be awarded to students who do not satisfy the requirements for a diploma, modified diploma or extended diploma if the students meet minimum credit requirements established by the district. Alternative certificates will be awarded based on individual student needs and achievement. A student who receives a modified diploma, extended diploma or alternative certificate will have the option of participating in a high school graduation ceremony with the student's class.
