Public Solicitation in District Facilities

Students and staff are to be protected from intrusions by announcements, posters, bulletins and communications of any kind from individuals and organizations not directly connected with the schools.

The solicitation and sale of travel services to students may be permitted with approval of the Board on district property, at activities under the jurisdiction of the district and at interscholastic activities administered by a voluntary organization approved by the State Board of Education (i.e., Oregon School Activities Association).

This includes sale of services to students by any person or group that sells, provides, furnishes, contracts for, arranges or advertises travel services.

Sellers of travel services must meet the following district criteria:

1. Belong to an association of sellers of travel certified by the director of the Department of Consumer and Business Services;
2. Provide proof of errors and omissions insurance;
3. Provide proof of a client trust account or performance bond;
4. Submit references;
5. Include in all information provided to students and parents that drug, alcohol and tobacco use will be prohibited;
6. Include in all information provided to students and parents a statement that the activity is a non-school-sponsored event.

The administration of surveys, questionnaires and requests for information by non-school-connected organizations will be disallowed within the discretion of the superintendent.
