Employee Identification Badge System

For the safety of staff and students in the school environment, and to reduce the possibilities of theft, vandalism and loss of district's property, all district's employees shall be issued and will display an identification badge.

The district's photo identification badge system will serve as an instant identification system for security purposes and will assist students, staff, parents and other visitors to school locations in identifying school employees. Employees will display the identification card at all times in the performance of their duties.

A badge system, with appropriate designation but without a photograph, shall be used for visitors to schools during regular school hours and for substitutes and/or temporary employees.

The superintendent is directed to develop administrative regulations as necessary to implement this policy.
