Administrative Regulations

Administrative regulations are detailed directions governing the operation of the schools.

The superintendent is authorized to formulate such administrative regulations appropriate for the implementation of policies adopted by the Board and necessary for the consistent operation of the district.

When approved by the superintendent, administrative regulations shall be made accessible on the district website to the Board, district staff and community. Approved administrative regulations will be maintained in the superintendent's office and in the office at each school site for public access during regular office hours. A copy of the adopted administrative regulations will also be provided to Oregon School Boards Association and the district's appointed attorney for their reference.

The Board may review any administrative regulation and may direct its revision if, in the Board's judgment, such regulation is not consistent with adopted policies.
