Board Policy Implementation

Effective Date of Policies

All new or amended policies will become effective on the day after adoption by the Board; unless a specific date is included in the motion for adoption.

Policy Implementation

The superintendent and administrative staff will implement Board policies. The superintendent may formulate administrative regulations and procedures to assist policy implementation.

It will be the Board's duty to evaluate the effectiveness of the policy and the effectiveness of the administration's implementation of the policy.

Policy Dissemination

The written policies that govern the district will be accessible on the district website to the Board, district staff and community. A copy of the adopted policies will also be provided to Oregon School Boards Association and the district's appointed attorney for their reference.

Board policy will be considered a public record. Approved policies will be available for inspection in the superintendent's office and in the office at each school site during regular office hours.

The superintendent will provide channels for disseminating appropriate policies to the community.
