Board Member Compensation and Expense Reimbursement

No Board member will receive any compensation for services other than reimbursement for approved expenses actually incurred on district business. Such expenses may include the cost of attendance at meetings, conferences or visitations that are part of the board development plan.

Board members may be reimbursed, when paid admission is required of the general public, for attending district athletic events and other activities as part of their responsibilities of being informed about district operations. The district will establish accounting procedures consistent with this policy. Reasonable and necessary expenses will be compensated in the same manner as district administrative personnel.
