District Administration

The Board affirms the principals' rights and responsibilities for the administration of their programs and buildings within the broad scope of adopted Board policies.

Specifically, the principal of each individual school is responsible and accountable for the educational program, improvement of instruction and interpretation of the school's program to the community. All personnel will work through and under the principal's direction in the performance of their duties within the school.

The district administrative support will assist the principals in providing coordination and support to the staff in their respective areas of expertise.

All requests for their services will be directed to the principal.

Requests for general information may be directed to their office.
