Budget Adoption Procedures

After the public hearing on the budget and any modifications of the budget deemed necessary as a result of that hearing, the Board will approve the proper resolutions to adopt and appropriate the budget. The Board will further make and declare the tax levy amount for each fund. Should a levy election be necessary, the Board will establish an election date and authorize the publication of election notices.

The superintendent will ensure all necessary documentation is submitted to the county assessor's office as required by the Local Budget Law.
