## **Insurance Programs**

All district insurance coverage is to be written by a company that meets the industry standards with a rating of not less than Best's Key Rating of Excellent (A, A-). The director of business operations will select a company with a financial size category adequate to ensure surplus resources to protect the district's assets.

Insurance may also be written by any fully insured, partially insured or self-insured pool that is able to demonstrate satisfactory financial stability as determined by Oregon law.

Blanket building and equipment insurance will cover replacement costs at the same site, with a deductible determined by the director of business and operations to provide the lowest possible premium costs consistent with adequate protection from unanticipated expenditures.

General and personal liability insurance will cover district Board members and employees only while acting in their official capacity.

Errors and omissions and tort liability endorsements will be carried.

The district will provide liability coverage for all district-owned or leased vehicles.
