## **General Personnel Policies**

The quality of the professional and support staff is of primary importance in achieving the district's educational objectives. In filling any licensed or classified position, the district will seek out and appoint the best-qualified person available for the position. Only individuals of high personal standards and competence shall be considered for employment.

The employment of candidates to fill licensed positions will be approved by the Board upon the superintendent's recommendation. The superintendent will employ all classified employees, substitutes and part-time personnel as needed.

Notice of all regular position openings will be available to current staff members, in accordance with applicable collective bargaining agreements. Vacant positions may also be advertised through professional and institutional placement agencies, appropriate employment agencies, and general and specialized media.

Applications or inquiries concerning position openings will be directed to the human resources office. The selection process will be coordinated and supervised by the director of human resources, with the involvement of other appropriate administrators and supervisors.

Each candidate selected for a position with the district must possess or demonstrate eligibility for any certificate, license or permit required to fill the position. In addition, the individual must be insurable by the district's insurance carrier for any position requiring liability insurance coverage or bonding.

The district may require any candidate, as a condition of employment, to hold a current, recognized first-aid card. A current employee required to hold a card will obtain it within 90 days from the date the district gives notification.

Personnel selected for employment will be notified in writing. This notification will specify the assignment, the position classification, the salary or hourly rate, the length of the work week and the length of the assignment. Unsuccessful applicants, who were interviewed, will be notified.

Initial assignments will be made by the superintendent or designee.

The superintendent will establish regulations governing the recruitment, selection and employment of personnel in accordance with this policy.
