Curriculum Guides and Course Outlines

Curriculum guides and course outlines will be available for all courses/programs offered in the district. Teachers are expected to adhere closely to the course of study adopted by the district. Planned course statements will be on file for each course offered in grades 9-12.

Such statements will include Essential Skills/Academic Content Standards/Common Core State Standards as adopted by the State Board of Education. Information regarding course offerings and course descriptions will be available to all students and interested patrons of the district.

Any substantial deviation in teaching methods or course content must be approved in advance by the superintendent.

Requests for deviations from the regular school schedule or program, for any reason, must be submitted in writing to the superintendent sufficiently in advance for the proposal to be studied, for a decision to be made and, if granted, for adequate staff preparation.
